2001	9,630	9,237			
2000	Baseline	9,535			

¹ Data available every two years.

² Data available every two years.

³ Measure was changed during FY 2006 budget process to reflect proportion of children served rather than number.

⁴ This target was originally 1%, but was increased to 10% in response to PART recommendations by OMB.
